

WARNER'S II DRIVE-IN

**Warner's Drive-In in Franklin, WV is reopening
for the 2017 Summer Season on May 5!**

After closing in 2014, a community effort began to get the historic drive-in movie theater reopened and converted to the digital age. Fundraising effort began in June of 2016, and by that September, the drive-in board had raised enough funds to purchase a new digital projector and make snack bar upgrades.

The work is not finished though. Many more upgrades and improvements are needed to secure the future of the venue, including purchasing the property.

This is where you can help.

Advertise with Warner's Drive-In!

Not only will you help secure a local landmark's future, but your message will be seen by hundreds of visitors each week throughout the season.

See the back page for details.

**We look forward to seeing
you on the big screen!**
