

**Warner's Drive-In in Franklin, WV is reopening for the 2018 Summer Season on May 4!**

After closing in 2014, a community effort began to get the historic drive-in movie theater reopened and converted to the digital age. Fundraising effort began in June of 2016, and by that September, the drive-in board had raised enough funds to purchase a new digital projector and make snack bar upgrades.

The work is not finished though. This year, the drive-in board will officially purchase the property. Once this is done, many more upgrades and improvements are needed to secure the future of the venue.

This is where you can help.

**Advertise with Warner's Drive-In!**

Not only will your help secure a local landmark's future, but your message will be seen by hundreds of visitors each weekend throughout the Summer.

**In 2017 we had over 4,500 visitors!  
See the back page for details.**

**We look forward to seeing  
you on the big screen!**

Warner's Drive-In Theater
